"The Cold Storage Egg" is not always above suspicion. Popular imagination ascribes great food value to the egg—but it is not a muscle-builder. There is more real body-building nutriment in a Shredded Wheat Biscuit than in the same weight of eggs or beef-steak—and it costs much less. Delicious for any meal with sliced peaches or with fruits of any kind.

NEW MODEL

Haynes Limousine Purchased by Lynch-Osborn Undertaking Company.

M. J. Lynch, of the Lynch-Osborn Undertaking Company, is home from Columbus, O., where he attended the annual convention of the National Funeral Directors Association of the United States and Canada as a representative of the West Virginia Funeral Directors Association. Mr. Lynch says the convention was one of the most largely attended and best conventions the association has had in years.

On his return trip he was met at Pittsburgh by Mrs. Lynch and they drove home in a new 1917 model, seven passenger Haynes limousine, purchased by Mr. Lynch for the company's use several weeks ago but which was to be used by the Haynes company as an exhibit of its 1917 model at the Pittsburgh automobile show last week.

The new car is a beautiful design and has all the latest and most up to date equipment known to the automobile world on it. The chassis is the new 1917 model Haynes and the top is the 1917 model top made by the Springfield Top Company.

The new car adds greatly to the already large and complete stock of the company which is fast forging to the front as one of the leading undertaking establishments of West Virginia.

HEAVY DEFEAT

Is Suffered by Russian Forces in Galicia at the Hands of the Teutons.

BERLIN, Oct. 18.—The Russians have suffered a heavy defeat in Galicia, the war office reported Tuesday. Trenches on a front of one and one-fourth miles were taken by the Austro-Germans. 1,900 prisoners and nineteen machine guns were captured.

Attacks of the Allies Monday on the Somme front broke down under the German fire. The German positions on both sides of the Somme were under heavy artillery fire the whole day.

BIG CROWD

Hears Governor at Paw Paw Where Tannery and Schools Close for the Occasion.

PAW PAW, Oct. 18.—Governor Hatfield addressed an open air meeting here Tuesday morning, discussing both state and national issues. The tannery and schools closed for the occasion and the employees and school children attended the meeting in a body. The governor inspected the tannery and high school and was introduced by Phil A. Apple, a local merchant.

The usual big crowd that has listened to the speaker at every meeting since he took the stump to expose the Democratic misrepresentation and falsification of facts was present.

Races from France to Chicago Just in Time to Register for the Election.

CHICAGO, Oct. 18.—John Barrett, director general of the Pan-American Union of Washington, D. Mr. Barrett was in France on business when he received word that if he desired to vote for president in Chicago he would have to return and register October 17. He left Amiens October 6 in a military automobile and after riding all night arrived in Paris next day and caught a train for Bordeaux, whence he sailed October 7, arriving in New York Monday.

MERGER

Of Several Railway Systems is Voted for by One Road's Stockholders.

PITTSBURGH, Oct. 18.—Stockholders of the Pittsburgh, Cincinnati, Chicago and St. Louis railroad here Tuesday adopted by almost unanimous vote the agreement for consolidation of the Vandalia Railroad Company, the Pittsburgh, Wheeling and Kentucky Railroad Company, the Chicago, Indiana and Eastern Railroad Company, the Anderson Belt Line Railroad Company and the Pittsburgh, Cincinnati, Chicago and St. Louis Railroad Company. Nearly ninety per cent of the total outstanding stock was represented at the meeting, which was presided over by J. D. Lyon, of Pittsburgh.

The effect of the consolidation will be to group into one organization the roads of the Pennsylvania system between Pittsburgh and St. Louis and, according to its officials, will strengthen and fortify the company as a common carrier. It is also planned to develop tributary territory with probable economies of management accounting and general operation.

BAYONNE, N. J., Oct. 18.—The demands of the striking Standard Oil employees were again refused Tuesday when a committee representing the strikers conferred with George Hennessy, superintendent of the Standard Oil company's plant. The committee was appointed Monday as the result of a mass meeting arranged by the city authorities.

Superintendent Hennessy informed the committee he would deal with them when they dropped their wage demands. He said the company was ready to grant or arbitrate the other demands regarding working conditions and re-arrangement of hours.

Mrs. J. Sergeant Cram, social worker, who was reported to have been ordered out of the city Monday by the police, sent word Tuesday of her intentions of returning, re-enforced by Miss Elizabeth Gurley Flynn, a labor orator. They will address the strikers, Mrs. Cram said.

GREEK WARSHIP

Purchased from United States is Taken over by the Entente Allies.

LONDON, Oct. 18.—The Entente Allies have taken over the Greek battleship Kilikis, formerly the United States battleship Idaho; the Lemnos, formerly the Mississippi, and the Averoff, says Reuters' Athens correspondent.

Allied crews were put on board the battleships and the Greek crews were landed and sent to Athens. On October 11 the Allies took over the entire Greek fleet except the Kilikis, Lemnos and Averoff. This measure, it was explained unofficially, was intended to insure the safety of the allied fleet, as fears had been aroused of a disturbance at points where the war vessels of the Allies were anchored.

SHIP SAFE

But It is Now Hugging the Canadian Shore because of a Heavy Gale.

CLEVELAND, Oct. 18.—A wireless message from the passenger steamer City of Buffalo early Tuesday relieved Clevelanders who felt alarmed at the non-appearance of the ship in port from Buffalo on scheduled time. According to the message the boat is hugging the Canadian shore because of a heavy gale, but no one is in danger and arrival is promised in Cleveland Tuesday afternoon.

What do you look for in buying clothes?

You want skillful styling! You want good material—but what do you look for first? Style, of course. The finest piece of fabric is of no value made up into a suit unless that suit is styled right—and the big difference between one garment and another is found in the skill of the designer.

Now then where are the highest salaried creators of fashion to be found? At the tailors? Emphatically no! No tailor in America could afford to pay the salaries that are commanded by the men who style such famous makes of clothes as Schloss Bros., Ederheimer-Stein Co., and Fashion Park Clothes.

If you want the most masterfully styled clothes in all America—you must come here!
